

Flower and foliage *collection*

More than a beautiful bloom

Our current collection

Discover our flower families, meet the person behind the name and find your next favourite.

**GEERT ROOIJAKKERS**

The man behind Africalla

The hands
behind every
bloom.
*The heart
of Africalla.*

Meet Geert Rooijakkers, the man behind Africalla.

Every collection has a human story. At the centre of ours is Geert.

Request a trial box

A complimentary mixed sample box of available varieties to try. You pay freight only, with no paid flower-order minimum.

Request through Africalla Sales. Availability and freight are confirmed before dispatch. A request is not a confirmed shipment or order.

Growing and gathered

Views from the farm and the 2025 exhibition.

Carnations in the greenhouse

Kangaroo Paw in the field

Green Dianthus growing

Our flower display at the 2025 exhibition

Aster from field to vase

Mini aster

ASTERS GROWING AT AFRICALLA

IN A VASE

Asters arranged
in a vase.

Purple Asters arranged in a glass vase.

Separate crop views, not a before-and-after of the same flowers. No same-variety or same-batch pairing is implied.

From our fields to your vase

Marigold and Chrysanthemum.

Chrysanthemum collection: disbud and spray.

Marigold

GROWING

Orange marigolds in the greenhouse

IN A VASE

Orange marigolds arranged in a glass vase

Chrysanthemum

GROWING

Pink chrysanthemum buds in the greenhouse

IN A VASE

Red chrysanthemum bouquet in a glass vase

Separate crop views, not a before-and-after of the same flowers. Colours and growing stages differ; no same-variety or same-batch pairing is implied.

Soft and layered

A closer look at two of our flower families.

01 / FLOWERS

Lisianthus

Soft, layered blooms

Explore the colour and character of Lisianthus in the Africalla collection.

02 / FLOWERS

Carnations

Standard carnations

A full, ruffled bloom with colour and texture to explore.

Varieties and availability are confirmed on enquiry.

Kangaroo Paw

Anigozanthos / Celebrations and Bush Gem

GROWING OUTDOORS

GROWING UNDER COVER

IN A VASE

Separate crop views, not a before-and-after of the same flowers. No same-variety or same-batch pairing is implied.

Up close with Kangaroo Paw

Flower details from the collection.

Yellow-green flower detail

Purple flower detail

Rust-coloured flower detail

Colour descriptions are visual, not variety names.

Aster in a vase

Mini aster

ARRANGED

Purple Asters arranged in a glass vase

Lavender Asters in a glass vase

FLOWER DETAIL

Aster flower detail

Pale Asters in a glass vase

Colour and texture

Two more families to make your own.

06 / FLOWERS

Dianthus

Dianthus barbatus

Texture takes the spotlight.

07 / FLOWERS

Tagetes

Marigold

A bold note of colour.

Varieties and availability are confirmed on enquiry.

Eucalyptus

Collection: Baby Blue, Cinerea and Silver Dollar

Among growing Eucalyptus

08 / FOLIAGE

Eucalyptus arranged *in a vase.*

Ask our sales team about varieties, preferred grades, quantities and timing for your enquiry.

The pictured varieties are not identified. Separate crop views; no same-variety or same-batch pairing is implied.

Phlox

A flower with delicate character

09 / FLOWERS

Varieties and availability are confirmed on enquiry.

HOW TO ORDER

01 **Share your requirements**

Flower, quantity, preferred grade, destination and required date.

02 **Discuss availability**

Sales confirms availability and provides a personalised quote.

03 **Confirm in writing**

Confirm the agreed details in writing with the team. An enquiry is not an order.
